

## Product Data Sheet | Acoustical Device

**Division** ZR Acoustics® Products  
**Family** Hybrid Technology  
**Name** ZR SR 24+ (V3.0)  
**Dimensions** 24" H x 24" W x 1.25" D  
**Weight** 4 lbs. / Device  
**Finish** Textiles by Knoll, Luna, Pallas & Maharam.

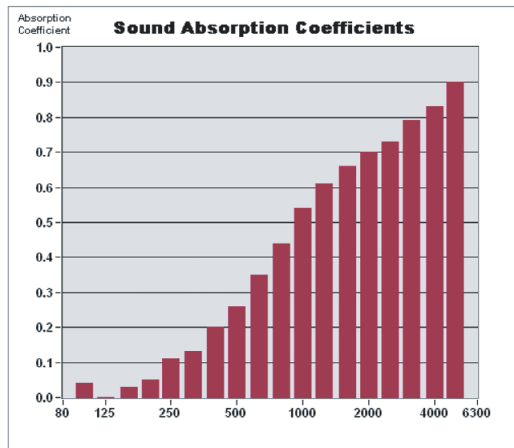

COMPARED TO V2.0

16%  
THINNER

68%  
LIGHTER

**Acoustic Resolution** **450+ NPS / sq.ft.** (NPS = Non-Parallel Surfaces)  
 45,000 times greater acoustic resolution over traditional studio & panel design.

### Absorption Coefficient

| F (Hz) | Absorption Coefficient | Absorption (Sabins)* |
|--------|------------------------|----------------------|
| 100    | 0.04                   | 2.94                 |
| 125    | 0.00                   | 0.19                 |
| 160    | 0.03                   | 2.28                 |
| 200    | 0.05                   | 3.61                 |
| 250    | 0.11                   | 7.85                 |
| 315    | 0.13                   | 9.58                 |
| 400    | 0.20                   | 14.25                |
| 500    | 0.26                   | 19.05                |
| 630    | 0.35                   | 24.90                |
| 800    | 0.44                   | 31.60                |
| 1000   | 0.54                   | 38.83                |
| 1250   | 0.61                   | 43.58                |
| 1600   | 0.66                   | 47.63                |
| 2000   | 0.70                   | 50.36                |
| 2500   | 0.73                   | 52.57                |
| 3150   | 0.79                   | 56.84                |
| 4000   | 0.83                   | 60.11                |
| 5000   | 0.90                   | 64.69                |

Temp (°C) **20.9** R.H. (%) **56** ATM (mbar) **998**

\* total absorption based on 72.0 ft²

**NRC** ≥0.5 (calculated)

**Acoustic Designs** 5 Discrete Designs: Sunspot, Blackhole, Toccante, Horizon & Loma.  
 (ZR Products Explained)

**Cost** USD \$575 / Unit [USD \$143.75 / sq.ft.]  
 (Shipping and Handling + California State Tax If applicable. \$10 Upcharge for Ceiling Mounted)

**Features & Benefits** Ultrathin Quantum Acoustic Cloaking, Lifelike Aural Imaging, Wall to Wall Sweet Spots, Extreme Acoustic Resolution, Aesthetic, Elegant.

**Installation** Molded Hook & Loop by Velcro  
 For Use On Wall & Ceiling
